

MADISON AREA RADIO CONTROL SOCIETY

(MARCS) <www.marcswi.org>

2012 Club Membership Information and Application

The "Madison Area Radio Control Society" is comprised of members interested in all aspects of model aviation. We are a chartered "Academy of Model Aeronautics" (AMA) club. Our monthly club meetings are held the first Thursday of each month at the "Madison Labor Temple," 1602-So. Park Street, Madison, WI. in room-201B, at 7:00 pm. Visitors are always welcome.

Kettle Field, our club flying field for powered aircraft, is located on the Dane County Landfill property east of Madison on highway 12/18. Open flying occurs daily year-round, with several contest and events throughout the year. You are invited free of charge to observe any of these activities. See website for dates and times.

MARCS and **AMA** memberships are required to fly at **Kettle Field**.

For additional information, please contact:
